Why Samsung PC?

A TRUSTED BRAND

Through a dedication to quality, performance, technology, design and service, Samsung has risen to become one of the fastest growing PC vendors in the world. This has helped Samsung become the largest electronics company in the world.

BETTER PERFORMANCE & BETTER TECHNOLOGY

Samsung PC products are continually celebrated by the world's media for outstanding performance – including "Product of the Year 2009" awards from Wired (US), Mikro PC (Finland), and PC World (China & Poland).

UNRIVALLED PRODUCT QUALITY

We manufacture the vast majority of our laptop components, so we can be certain they are world class. Our vigorous quality assurance program and ISO standard manufacturing process, also ensure that only the best products make it through to the customer.

DESIGNED TO TURN HEADS

Through worldwide design centers and partnerships with product designers, we have created laptops with style that have won prestigious design awards such as the iF and IDEA Design awards and the Good Design 2009 "Gold Award".

WORRY-FREE SERVICE

We're committed to providing the best, most timely customer service in the industry and proud to be recognized as the leader in customer service satisfaction (ranked #1 for customer satisfaction in the notebook PC category by C'T Magazine Germany in May2010).

Affordable mobility

With its practical and stylish design the RV510 makes anytime, anywhere computing an affordable and practical reality.

Designed for great value

Offers great all-round value by combining outstanding quality and performance, as well as multiple finishes – in black or silver. Its ergonomic features, including an **Island type keyboard** and **SuperSilent mode**, also ensure a more enjoyable and productive user experience.

Class leading craftsmanship

Built to the highest quality standards and craftsmanship for dependable reliability. The robust, scratch-resistant **Samsung durable casing** is designed to prevent finger marks and capable of withstanding everyday bumps and knocks to give you peace of mind.

Enhanced usability

The RV510 includes a range of advanced tools and features to help you stay in touch and get things done fast

Easy-to-use, practical numeric keypad

Provides enhanced usability with a **full-sized 17-key numeric keypad** that's the same as a desktop's, so you can easily type numbers, do calculations or use it for gaming activities.

Extensive wireless connectivity

Advanced communications technologies, including **802.11bgn*** wireless provides high speed access to the Internet and your data anytime and anywhere.

High definition graphics

The RV510 is designed to enhance your life on the move with its brilliant graphics and ultra-sharp LED backlit screen.

15.6" HD LED backlit display

The **gloss LED backlit display** produces the sharpest images and boldest colors. Its native **16:9 aspect ratio** also ensures the most accurate representation of HD movies and games.

Peace of mind

The RV510 is the ideal choice if you like to play things safe, as it is designed to protect you and your data from the risks of everyday life.

Simple data back up

Samsung Recovery Solution automatically and regularly backs up your data to the hard drive (or users can also back up to an external hard drive), so it can easily be restored, giving you the peace of mind that you're always protected.

International warranty service

Samsung's award-winning warranty service** provides a fast track collection repair and return service in order to minimize disruption and get you going again as quickly as possible.
